

Selborne Grove and Lund Park Allotment Association

Annual Report 2008/9

- ❖ The 2008 seedling sale raised £95
- ❖ We now have new water pipes and extra taps on several plots
- ❖ We have erected the polytunnel and used it for meetings and for raising seedlings
- ❖ We were all ready to repeat our previous year's Keighley Show raffle success but sadly the weather was against us and it was cancelled
- ❖ Several plotheholders have featured on a new 'My Plot' section on our website www.sgaa.co.uk

We would like to express thanks to:

- ❖ Lee Senior all his help and especially for securing funding for the new boundary fence!
- ❖ Jason for delivering horse manure to the site and unloading it for us
- ❖ Stuart and the community service crew for digging the trenches for the water pipes
- ❖ New Shoots for letting us use their cabin
- ❖ Grayham for all his work on the website
- ❖ Timothy Taylors Brewery for donation of pallets
- ❖ Everyone on the site who has contributed in different ways
